BEST AVAILABLE COPY

Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.
2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Time for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

This document contains information that is exempt from release under the Freedom of Information Act (5 U.S.C. 552). It is the policy of the Department of Defense to protect such information from unauthorized disclosure. This document is to be controlled and its distribution is to be restricted to those personnel who have a valid "need to know" and are authorized to receive it. It is to be stored, handled, and disposed of in accordance with the Department of Defense security policies and procedures. It is to be marked with the appropriate security classification and handling instructions. It is to be destroyed when it is no longer needed and its destruction is to be recorded.
